

# Half Acre Day NEW MOON RELEASE #1

The Lunar New Year will soon be upon us, ushering in the Year of the Tiger.

The tiger is optimistic, passionate and independent. Rebellious, dynamic, and unpredictable. Half Acre Day will be embracing this spirit over the next 12 months in their music.

The Lunar New Year happens to fall on Valentine's Day, Feb. 14th 2010 – the perfect day to fall in love with a new song. So starting on that date and each new moon to follow, Half Acre Day will be digitally releasing one brand new song per month.

"A forward-looking widescreen pop band that evokes the magnificence of peers like The Flaming Lips, Wilco, Jayhawks & Grandaddy."

"Psychedelic indie folk is what you're getting, both contemplatively introspective, a la Built to Spill, and Ween-like in their silliness."
